

St Cuthbert's Catholic Primary
Music Development Plan: Outline 2024-25

Vision Statement	<p>At St Cuthbert's Primary School, we understand that music is a powerful, unique form of communication that can change the way pupils feel, think and act. Music is a way of expressing oneself and it can highly influence their personal development. It brings together intellect and feeling and enables personal expression, reflection and emotional development. We strive to develop pupils' ability to listen and appreciate a wide variety of music and make judgements about musical quality.</p> <p>Music Teaching at St Cuthbert's will lead to the children making progress in musical skills and knowledge. Children will gain confidence in their musical abilities and will be able to enjoy and appreciate music through their weekly lessons. Our music curriculum ensures children can develop their musical passions, which they will continue to practice and develop throughout school and into adulthood.</p> <p>What is realistic to achieve in the next year (or be more positive about the here and now!)?</p> <p>Where do you want your Year 1 cohort to be by the time they leave primary school?</p>
Curriculum Music: Our vision is that all children will make progress in musical skills and knowledge. Children will gain confidence in their musical abilities and will be able to enjoy and appreciate music. With our music curriculum children can develop their musical passions,	<u>Key Short-Term Actions 2024-25</u> <ul style="list-style-type: none">• Arrange for staff training using the Model Music Curriculum (Charanga)• Skills audit for staff.• Arrange pupil voice with children to hear their views on the Music Curriculum.
