### What should I already know?

Knowledge and understanding of the life of the local Christian community

### What will I be learning?

- **Make links** to show how inspirational leaders affect their behaviour and that of others.
- **Compare** their own and other people's ideas about questions about what inspires people in their mission and realise that some of these are difficult to answer.
- **Make links** between how Jesus undertook his mission to share the good news and how each diocese continues that mission and work today.
- **Give reasons** why people carry out Jesus' mission in different ways through what they say and do.
- **Show and understanding** of how their own and others' decisions in carrying out their mission in communities are informed by beliefs and values.
- **Describe and** begin to **show they understand** how dioceses and different Christian communities continue to carry out the work and mission of Jesus.
- **Make links** between this and what they have read in scripture.
- **Show they understand** why Christians, because of what they believe, want to share the mission of Jesus and do so in different ways.
- **Engage and respond** to questions of how religious teaching affects life and work within a community and diocese.

### God's Spirit Is In My Heart

God's Spirit is in my heart,  
He has called me and set me apart.  
This is what I have to do,  
what I have to do.

He sent me to give the Good News to the poor,  
Tell prisoners that they are prisoners no more,  
Tell blind people that they can see,  
And set the downtrodden free  
And go tell everyone the news that the Kingdom of God has come,  
And go tell everyone the news that the Kingdom of God has come.
