Child showing symptoms of asthma/having an asthma attack

1. I can confirm that my child has been diagnosed with asthma/has been prescribed an inhaler (delete as appropriate).
2. My child has a working, in-date inhaler, clearly labelled with their name, which will be kept in class in a container with your child's photograph on it. Parents will need to check regularly with the class teacher that the inhaler is in date.
3. In the event of my child displaying symptoms of asthma, and if their inhaler is not available or is unusable, I consent for my child to receive Salbutamol from an emergency inhaler held by the school for such emergencies.
