Year 4 - Topic 8- Building Bridges

What should I already know?

The importance of conscience in making choices.

What will I be learning?

- To ask and respond to questions about their own and others' experience and feelings about what breaks and what mends a friendship.
- To ask questions about what they and other wonder about how friendships may be restored.
To use a developing religious vocabulary to describe some religious actions and symbols used in the sacrament of reconciliation.
- To use religious words and phrases to give reasons for some religious actions and symbols used in the sacrament of reconciliation.
- To make links to show how feelings and beliefs affect their behaviour and that of others in respect to maintaining friendship.
- To compare their own and other people's ideas about questions of building and maintaining friendship and realise that these questions are difficult to answer.
- To make links to show how feelings and beliefs about reconciliation affect their behaviour and that of others.
- To give reasons why believers ask forgiveness of others and forgive those who have hurt them.

Choices

Chorus

CHOICES

**God gives us choices everyday
In every single way
(Repeat)**

**I can run or I can walk
I can sing or I can talk
I can be the best that I can be
Just like God wants me to**

**I can grow and I can change
I don't have to be the same
I can be the best that I can be
Just like God wants me to**

**I can listen to God's call
I can talk of hope for all
I know I can always start again
Because God loves me so**
