Debt and relationships

Online materials to help you with debt and the impact it has on your relationships

Debt and money troubles are among the biggest causes of relationship stress.

In these short animations, real couples tell their stories of being in debt and the steps they took to get things back on track.

If you're worried about debt, watch these clips to see why it's best to act as soon as possible, and why it's always a good idea to talk to your partner about what's happening.

To access the online material, you will need a smartphone, tablet, or computer, and a good internet connection. It's FREE to use, so you'll just need to create an account with a username and password.
